Our Commitment"***

Aged and Disabled Program for Seniors

PACE Hawaii is a comprehensive health and long term care program designed for older adults who have multiple functional/medical needs and require a variety of in-home support and services. Individuals must voluntarily select PACE, which includes primary medical care provided by the PACE physician who is a board-certified internist and geriatrician.

Eligibility Requirements

The person must:

- Be 55 years of age or older
- Need assistance with their activities of daily living (minimum ICF or SNF level of care)
- Live in Honolulu, Pearl City or Aiea
- Be Medicaid Eligible (However, Private Payers are also accepted)
- Have a strong desire to remain in the community

Services

Generally, clients attend the PACE Adult Day Center (2 locations – Maluhia and Leahi Day Centers) where a variety of services are provided. Some of the services include:
